

SMART MANAGEMENT OF WATER RESOURCES IN FLORIDA'S FRIENDLIEST HOMETOWN

**Change to Irrigation Schedule for Village Center
Service Area Customers in CDD No. 1**

Published 05-14-2009

St. John's River Water Management District (SJRWMD) has recently amended its Landscape Irrigation Rule. With the changes to the irrigation rule, CDD No. 1 residents will now be under the rules and regulations of the Southwest Florida Water Management District (SWFWMD). SWFWMD is currently on a one-day-per-week irrigation schedule mandated by a Water Shortage Order. CDD No. 1 residents must modify their irrigation timer to only irrigate once per week in accordance with the below table. The changes to CDD No. 1 are effective immediately.

CDD No. 1 includes Units 1-17, 13A, 683-688, 690-696, and 698 in Sumter County. Please refer to your Resident ID Card to confirm your unit.
