

Recommended Plant List

Using drought-tolerant plants in your landscape can significantly reduce irrigation demand and can reduce plant injury due to drought stress.

TREES

- DT* Chinese Fan Palm
- DT* Bottlebrush
- DT* Crape Myrtle
- DT* Drake Elm
- DT* East Palatka Holly
- DT* European Fan Palm
- DT* Magnolia 'Little Gem'
- DT* Magnolia 'Southern'
- DT* Laurel Oak
- DT* Ligustrum Tree
- N Live Oak
- DT* Nellie Stevens Holly
- DT* Pindo Palm
- DT* Savannah Holly
- DT* Washington Palm

GROUNDCOVERS/GRASSES

- DT* African Iris
- DT Agapanthus
- DT Aspidistra
- DT* Aztec Grass
- DT* Becca, Little Becca
- DT* Blue Pacific Juniper
- DT* Breeze
- DT* Cordgrass
- DT* Daylily
- DT* Dwarf Confederate Jasmine
- DT* Dwarf Fakahatchee Grass
- DT* Dwarf Nandina
- DT* Evergreen Giant Liriope
- DT* Evergreen Paspalum
- DT* Fakahatchee Grass
- DT* Juniper misc.
- DT* Lantana
- DT* Miscanthus Grass
- DT* Muhly Grass
- DT* Parson's Juniper
- DT Pennisetum Grass
- DT* Purple Lovegrass
- DT* Rev, Little Rev
- DT Society Garlic
- DT* Zamia*

SHRUBS/ACCENT PLANTS

- DT Anise
- N Blueberry, Sparkleberry
- DT* Bottlebrush
- DT* Burfordii Holly 'Globe'
- DT Crinum Lily
- DT* Dwarf Chinese Fringe Bush
- N Dwarf Walters Viburnum
- DT* Glossy Abelia
- DT* Indian Hawthorn
- DT Japanese Boxwood
- N Juniper 'Blue Vase'
- N Juniper 'Torulosa'
- DT* Ligustrum howardii
- DT* Nandina
- DT* Needle Point Holly
- DT* Pampas Grass
- DT* Pineapple Guava
- DT* Pittosporum, compact green
- DT* Pittosporum, variegated
- DT Plumbago
- DT* Podocarpus
- DT* Rosemary
- DT* Saw Palmetto
- DT Selloum
- DT* Schillings Holly 'Nana'
- DT* Tea Olive
- DT* Viburnum odoratissimum
- DT* Viburnum suspensum

DT*—Drought Tolerant (per UF IFAS “Drought Tolerant Plants for North and Central Florida” and other IFAS sources)

DT—“Drought Tolerant - needs occasional irrigation” (per SWFWMD “Plant Guide”)

Information on many of these recommended plants can be found at www.floridayards.org.
