

VCSA- Lake County / Lady Lake Irrigation Schedule

Residents in the VCSA - Lake County/Lady Lake portion of The Villages must comply with the restrictions of the St. John's River Water Management District.

The following is a summary of the restrictions:¹

- Lawn watering depends on whether you have an odd or even numbered address, and the time of year. Please refer to the table below.
 - Daylight Saving Time: Second Sunday in March until the first Sunday in November
 - Eastern Standard Time: First Sunday in November until the second Sunday in March
- Watering may only occur before 10 a.m. or after 4 p.m. on the scheduled days.
- Water for no more than one hour per zone.
- Certain exemptions are available, such as allowances for new plant material.
- There are no restrictions on fountains, car washing and pressure washing. However, it is important to be as efficient as possible, such as using a shut-off nozzle on the hose, so water isn't wasted.
